

Nominations for the SULF Award 2024

SULF at Chalmers will award an annual prize of SEK 10,000 for the best bachelor's or master's thesis related to trade union work. In 2024, the theme is "**Work environment**", i.e. everything that affects us in the workplace, from ventilation to overload and stress. The purpose of the award is to support research aimed at improving the situation at work.

All students and employees at Chalmers can nominate a thesis (self-nominations are also fine), and the **nominations must be sent to sulf-chalmers@chalmers.se** not later than **August 30, 2024**. **The application should include the current form and the bachelor's/master's thesis (pdf file)**. All the nominations will be evaluated by the committee, and the winner will be chosen by the SULF board at Chalmers. The award will be given during the SULF day at Chalmers in October 2024. If you have any questions, please, contact Irina Pettersson irinap@chalmers.se .

Students being nominated
